

Engineering Operations Interns

Description

As an **Engineering Operations Intern**, you will play a vital role in supporting operational functions, including project management, business analysis, and tender/order execution. Working closely with the Operations Department, you will contribute to the successful delivery of projects, ensuring they meet time, cost, and performance objectives.

Responsibilities

- Assist with project tasks such as scheduling and coordination for smooth execution.
- Organize and maintain project documents for easy access and reference.
- Communicate effectively with team members, sharing ideas and updates.
- Quickly learn and adapt to new tasks and changing situations.
- Collaborate with colleagues to support team success.
- Provide project status updates to management.
- Assist in defining project scope, man-hours, and deliverables.
- Support business analysis activities such as process mapping.
- Prepare technical documents and review specifications.
- Build strong interpersonal skills for customer relationship development.
-

Qualifications

Education Requirement

- Bachelor's Degree in Engineering.

Skills & Knowledge

- Strong analytical and organizational skills.
- Excellent communication and interpersonal abilities.
- Proficiency in project management tools and MS Office Suite.
- Ability to work collaboratively in a team environment.

Technical Skills & Competence

- **Project Coordination:** Basic understanding of project initiation, planning, and execution.
- **Documentation Skills:** Ability to organize and manage technical documents effectively.
- **Learning Agility:** Quick learner, adaptable to dynamic tasks and responsibilities.

Behavioral Competencies

- **Communication:** Clear, open, and effective communication.
- **Teamwork:** Collaborative approach to achieving team goals.
- **Adaptability:** Flexibility to navigate change and handle challenges positively.
- **Problem-Solving:** Analytical thinker with a solution-oriented mindset.
- **Reliability:** Dependable in meeting commitments and deadlines.
