The Managing Director,
Triumph Power and Gas System Limited

Dear Sir,

APPRECIATION FOR SPONSORING NCC 2021

This is to thank Triumph Power and Gas System Limited for supporting and sponsoring the National Chess Championship of Nigeria 2021 which took place from November 8 to November 14, 2021. The event has been widely acknowledged as the best chess championship ever organized in Nigeria and is having far reaching impact on Nigeria's sporting culture. Over 1,500 people participated at the week-long chess festival. Triumph Power and Gas System Limited made this happen.

We are proud to be associated with you and the entire chess community in Nigeria is grateful for your involvement. With this, Triumph has firmly positioned itself as a foremost supporter of the world's most intellectual sport in Nigeria.

Orchid-Lekki Chess Club retains the right to host the National Chess Championship 2022 and our vision is to make it a truly world class event that will maximally benefit Nigerian players, sponsors and Nigeria as a country. We hope you will be happy to continue this journey with us as partner and sponsor. We are confident the Triumph Power and Gas brand will benefit significantly from the envisaged success.

Sent with this letter is a report on NCC 2021. We have developed this report and are sharing it with you in the spirit of openness, responsibility and accountability. In addition, we will be glad to respond to any enquiries regarding NCC 2021 and the upcoming NCC 2022.

Thank you.

Yours Sincerely,

Olakunle Kasumu,
President, Orchid-Lekki Chess Club
